★Girl Got Game★

Fungus Among Us!

Stormy hot love is in the air when Imai takes the basketball team back to nature with a trip to the universal water parks. During the outing, Kamekari admits to an annoyed Chikara that he's naked! Ryo is so stumped. To spice things up, Chikara takes Ryo off for a walk, where they gather mushrooms—and not to eat! and some of the best. The magic 'shrooms make them behave in rather uncharacteristic ways. Like confessing their love for each other!

A black and white manga-style illustration. In the center, a man in a military uniform with a high collar and buttons stands looking down. To his right, another person in a light-colored shirt and dark pants stands with their back to the viewer, looking at the scene. In the foreground, a person lies on the ground, wearing a light-colored shirt and dark pants. The background is a dense forest with trees and foliage. The text "NOT" is written in a bold, stylized font above the person on the ground, and "LIKELY?" is written below it.
